- **All supplies are required on the first day of the new school year.** They are stored for use by **your child** throughout the year.
- Purchasing workbooks through the school will ensure consistencies of versions.
- Quality exercise books and pencils are required (as suggested) as cheap items tear and break, impacting on your child's learning.
- Clearly name all items (NOT bottom right corner of books) so they are not lost.
- Exercise books need to be covered. Plastic covers or contact preferred. No raised decorations.
- Homework & library folders are provided by the school. Students may supply their own library bags.
- Additional supplies may be requested throughout the year, by the school, though this is rare.
